John,

Michigan Avenue magazine is offering up space in the April issue. Is this in rooms at the Fairmont and media hotels? Let's figure out how we can capitalize on this opportunity with some sort of welcome message.

Please follow up with Mike and then let Valerie and me know your recommended next steps.

The presses literally start rolling tomorrow in Atlanta.

Chris, Mike,

We need the letters from the Mayor and USOC. Please let me know when hard copies will be delivered so we can arrange to have them professionally scanned for high-quality imaging before they go into the book.

Lori, Dave,

I reached out to Valerie for Katie Johnson's contact info regarding the Obama letter. I will keep you posted but I might need Lori to call Valerie tonight if I don't hear back.

Thanks,

Greg,

FYI. Chicago Sport & Social Clubs willing to activate the sport and social clubs around the country in support of Olympic Day. Let's try to coordinate the attached list with Mayor's that have already signed up. If you can cross reference this list with those that have signed up, we can tell CSSC the clubs that they should reach out to and who they should connect with on the ground. Feel free to stop by if you have questions.

Lauren and Kurt,

Attached is a list of Sport and Social Clubs that we work with across the country. Take a look and let me know how they line up with the markets you are trying to do Olympic Day activities in and we can reach out to them to see what we can do. I'm sure they would be willing to be supportive.

Thanks and I'll see you guys tonight.

Just a heads up for you. I heard back from Kayak Chicago - I have not received their fax yet. They also had a question for us - I assume the answer is that it is fine for them to launch? Please let me know...

Kayak Chicago will be participating in Olympic Day at North ave. Since we don't have a permit to launch kayaks off of North ave. beach, will this be a problem?

Is there a fax number I can send the form to?

Hi Gyata and Mike -

Can we get together today to discuss contacting these additional organizations?

We are having a planning meeting with these directors next Tuesday, May 26 at 6:30 p.m. here in the office. We are asking people that want to participate (and even those that may just want to learn more) to meet us to discuss how they could be involved.

Therefore, if I could get contact info for directors or contacts you think would want to be involved, I will call them in the next day or two to get on their calendar before the long weekend.

Thanks in advance - I am available any time after 3 p.m.

Megan McDonald of MOSE just called me to let me know that Dominicks submitted to them artwork with our logo on the back of it for the tickets for Taste of Chicago. They also relayed to Megan that they were told by someone from 2016 that MOSE did not need to be apprised of this because "the Mayor wanted it". Megan has asked them to identify exactly who here told them that. The problem with them MOSE not knowing is that they have already started printing the tickets WITHOUT our logo, and to stop it now would cost more money. So how did this happen?

Hey guys -

The Steppenwolf Theater is having their annual gala tomorrow night. Huge event, lots of VIP's, mayor attending, all that.

Sego called and asked if we can get some signage to them. Sounds like they'd pick up stuff from the office if someone met them.

Was thinking we could lend them maybe a pull-up banner and also give them some "We Back the Bid" posters (small stack sitting in my cube).

I normally would be happy to handle, but am in South Bend @ Notre Dame for the weekend. Are either of you able to assist? Sego can provide pertinent details.

Many thanks for any assistance you might be able to offer.

Hey guys -

The Steppenwolf Theater is having their annual gala tomorrow night. Huge event, lots of VIP's, mayor attending, all that.

Sego called and asked if we can get some signage to them. Sounds like they'd pick up stuff from the office if someone met them.

Was thinking we could lend them maybe a pull-up banner and also give them some "We Back the Bid" posters (small stack sitting in my cube).

I normally would be happy to handle, but am in South Bend @ Notre Dame for the weekend. Are either of you able to assist? Sego can provide pertinent details.

Many thanks for any assistance you might be able to offer.

Goit it now, To use the term 'facebook' today, without context, is VERY confusing. Clarity should be the order of the day.

Specifically! How long should this be? One paragraph, two....one page or two?

Yes, this is the printed "facebook" for the IOC. We believe strongly she should be included because she is attending City Night. It is a very brief bio and photo. No one will get friended!

Facebook is a social networking site, the First Lady does not currently do this. To make this urgent request begs many questions. There is zero context in this request, hence its inappropriateness. Is someone looking simply for a bio?

Chip is preparing the Facebook for City Night and needs short bios (name, company affiliation, board directorships) for Shirley Ryan and Maggie Daley.

Sam ? Can you forward Shirley Ryan?s bio to Chip.

Sego ? Can you forward Maggie Daley?s bio to Chip.

I apologize for the short notice but he needs them right away (before the end of today).  
Thanks.

We are asking William Peterson, Bill Macy, Harrison Ford to do airport voiceovers. No guarantees they will.

I can ask Lisa at Harpo since they are doing the voiceover for Hello Sister. My suspicion is that she will feel that it may be over exposure for Ms Winfrey.

On one of the communications lists, the idea of Oprah recording the full airport announcements to replace the current announcer who delivers the content at Midway and O'Hare has been suggested. Is this something that has been discussed/ pursued before?

Sego....do you have a sense of the City or airports view of the idea might be? Has the City pursued the idea of "celeb" recordings before?

John....given the bid asks of Oprah, should the bid pursue or the City?

This is on the pre-April 2 arrival list, so clarity would help to know how to proceed. We should not reach out until we have alignment.
