Re: Calendar Year 2008 Filing

To Whom It May Concern:

This is in response to the letter of June 5, 2009 to me from Judge Baldock. The issues raised are addressed as follows:

1. Part VII, page 5, line 21, and page 6, line 43 - I am advised that the asset listed as ML&Co SRN was a Merrill Lynch structured investment product, based on the S&P 500.

2. Part VII, page 6, line 42 - I am advised that the asset listed as ML&Co Str Acct Redemp Sec was also a Merrill Lynch structured investment product, this one based on the European market. Column B(2) should show "none." Column C(1) should show "K", and C(2) should show "T".

This information concerning both Merrill Lynch products was given to me by my broker. Please let me know if this is not sufficient, and I will ask for a better description. For whatever it may be worth, both of these products were sold earlier this year at a loss, as will be reflected on my next year's report.

3. Part VII, page 4, line 2 - TV Cable Co. of Andalusia. This is a closely-held corporation, not publicly traded, of which I am a small shareholder. My valuation is based on the last sale of stock of which I am aware, which was several years ago and was a repurchase by the corporation of the stock of a shareholder who had died. I am not involved in any way in the business operations of the corporation. As far as I know, no efforts have been made to sell any of the stock, and no such efforts are expected. I know of no other method by which the value of the stock can be easily obtained. This is the reason that I showed the value method code as "W", but

if, under these facts, "T" would be more appropriate, please consider my report to be amended accordingly, and let me know for future reference.

Please advise if this response is in any way insufficient to answer your inquiries.

Sincerely yours,

[redacted]

Senior United States District Judge
