

**DEPARTMENT OF THE AIR FORCE
HEADQUARTERS AIR MOBILITY COMMAND**

HQ AMC/A6O
203 W. Losey St., Room 3640
Scott AFB IL 62225-5223

JAN 03 2011

Mr. Tegan Millspaw
425 Third St. SW, Suite 800
Washington DC 20024

Dear Mr. Millspaw

This letter is in response to your 10 September 2010 Freedom of Information Act (FOIA) request for records relating to Speaker Nancy Pelosi's travel. Attached are all reasonably segregable portions of the requested records.

Our office was provided 100 pages of responsive records from the 89th Airlift Wing (AW) at Andrews AFB; however, they do not have records specifically related to the fuel costs incurred for Ms. Pelosi's transportation. The SAF/FM office maintains fuel costs, but does not break down the costs by VIP flown. The 89AW Public Affairs office provided the following link to the OSD Comptroller public website at: <http://comptroller.defense.gov/rates/fy2011.html> where, along with the aircraft type and hours flown, you can determine the approximate cost per flight. The releasable documents attached contain the type of aircraft and hours flown.

Example: Mission # 16888 shows ETE (Estimated Time Enroute) as 05+45 (5 hours and 45 minutes) and return flight was 4 hours and 45 minutes. The Aircraft type was C37, found on page two. Go to link: Change Fiscal Year to 2010, find Air Force heading, then locate C-7A under Type. Cost per hour is \$1623.00. Therefore, 10 hours would = \$16230.00. The hourly costs are derived from various charges, to include local maintenance, depot maintenance, personnel, etc.

You may appeal this decision by writing to the Secretary of the Air Force, through HQ AMC/A6OKR (FOIA), 203 W. Losey St., Room 3640, Scott AFB IL 62225-5223, within 60 calendar days from the date of this letter. Include your reasons for reconsideration and attach a copy of this letter.

Processing fees for your request have been waived. Our point of contact is Ms. Denise Rodgers at (618) 229-6961 or e-mail at amc.foia@af.mil.

Sincerely

ARTHUR C. PRICE, Colonel, USAF
Chief, Operations Division
