Part I and Part VII:
Trust No. 1 (Part I, Item 1; Part VII, Item 43) is a revocable trust which does not appear to meet the definition of an Aggregate Ownership Arrangement. The corpus of this trust consists of assets fully disclosed within Part VII, where the income and value of the holdings are separately reported as part of the individual identification of those assets. Thus, the report of income and value provided for this Trust in Part VII constitutes duplicate reporting of the income and value of the underlying assets.

Part VII, Item 111:
During the administration of the will of [redacted] it was discovered that [redacted] had received a bequest of modest fractional interest in two trusts holding ownership of undeveloped properties in the Bahamas. The executor/trustee reports that efforts are being made to sell the properties and liquidate the trusts.
