Part I and Part VII:
Trust No. 1 (Part I, Item l; Part VII, Item 43) is a revocable trust which does not appear to meet the definition of an Aggregate Ownership Arrangement. The corpus of this trust consists of assets fully disclosed within Part VII, where the income and value of the holdings are separately reported as part of the individual identification of those assets. Thus, the report of income and value provided for this Trust in Part VII constitutes duplicate reporting of the income and value of the underlying assets.

Positions in Part I, Items 2 and 3, were relinquished during the Part I tail period between January 1, 2007 and the filing date. The resignation dates are noted in Part I in order to permit ease of reconciliation with future reports.

Trust No. 2 (Part I, Item 4) is a revocable trust which does not appear to meet the definition of an Aggregate Ownership Arrangement. Reportable assets were not placed in the trust until January 5, 2007 and consequently Trust No. 2 is not reportable in Part VII this year. Nevertheless, because the position of Trustee of an entity with reportable assets was held during the Part I tail period between January 1, 2007 and the filing date, it is being reported in Part I this Calendar Year 2006 Report in order to permit ease of reconciliation with reports in future years.

Part VII, Item 103:
During the administration of the will of [redacted] it was discovered that [redacted] had received a bequest of modest fractional interests in two trusts [Trusts B] holding ownership of undeveloped properties in the Bahamas. The executor/trustee reports that the properties were sold and the trusts liquidated without gain or loss in January 2007.
