VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. (Indicate part of Report)

Part 2: Parties and Terms Re: I will rec, contd...provided by the University although past pension benefits are vested. My mortgage was provided at a favorable rate available to faculty members and had to be refinanced within 6 mo. of leaving the University. The mortgage was paid in full 02/09/1985.

(T) On the death of [REDACTED] (in 1990), an irrevocable trust was created. [REDACTED] and SunTrust Bank, formerly Crestar Bank, were named the CoTrustee's.

Within that trust(T) there were two previously undivided shares. On May 31, 2005 this trust was divided, per the language in the document, and the [REDACTED] share became the [REDACTED] Trust(T) while the [REDACTED] share became the [REDACTED] Trust(T). This report reflects this change and therefore Trust # 3 will become the [REDACTED] Trust (T) and the [REDACTED] Trust (T) will become Trust # 4. These trusts were funded according to the formula, in the document, using all the assets from the original trust(T). As a result, the values of each trust (T#3 & T#4) will total the approximate value of the original single trust(T). The nature of my interest in these trusts has not changed, and is as follows:

With respect to the [REDACTED] Trust, [REDACTED] is the sole beneficiary of that trust during her lifetime. Upon her death, whatever remains in the [REDACTED] Trust, after taxes, is to be added to the [REDACTED] Trust.

With respect to the [REDACTED] Trust, the corporate trustee has sole discretion to distribute trust income and principal to [REDACTED] me along with [REDACTED]. Distributions must be deemed necessary for a distributee's health, support, or maintenance. [REDACTED] I have equal future interests in the [REDACTED] Trust upon the death of [REDACTED].

Please note that all of the SunTrust Funds (STI Classic Fd) had a share change on 8/1. This change is shown as a separate line item for clarification purposes. In addition, the STI Classic Growth and Income Fd had a name change, to STI Classic Fd Large Cap Relative Value Fd, on 8/1.
