Re: Financial Disclosure Report for Calendar 2007 Dated
March 14, 2008 - Judge James R. Nowlin

Thank you for your letter dated April 3, 2008 concerning two items not included in my Report for calendar year 2007 that were included in my Report for calendar year 2006, specifically personal savings/money market accounts held by EmigrantDirect Bank of New York and First National Bank of Bastrop, Texas. My computer generated Report for 2006 using the online software for that year was lost late last year when the computer on which it had been saved crashed and was replaced. Unfortunately files located on that computer could not be saved.

Not having the use of the previous years Report on the new computer resulted in the necessity to re-create the Report for 2007. In that effort I unintentionally omitted the two items referred to in your letter. Those items which should be listed in Section VII are personal savings/money market accounts and I respectfully request that this letter serve as an amendment to my 2007 Report at Section VII, Page 4A as follows:

- 26. EmigrantDirect, New York - A - int. - A - T
- 27. First National Bank of Bastrop - A - int. - A - T

If I can be of further assistance with regard to this current Report please do not hesitate to contact me.

Re: Financial Disclosure Report, Calendar Year 2007
Judge James R. Nowlin, U.S.D.C. Senior Judge,
Western District of Texas, Austin Division

Enclosed please find an original and three (3) copies of my completed and executed Financial Disclosure Report for Calendar Year 2007. With regard to "VII. Investments and Trusts" it is my recollection that in past years your office indicated to me that the proper course when there is no income during a calendar year from an investment, Column B(1) should be left blank and Column B(2) should reflect "None." It is my interpretation of "\$1,000 or less" that "less" includes "none" and I therefore continue to use the "A" category for Column B(1) where there is zero income for the year - zero (none) being less than \$1,000.00. Should that interpretation be in conflict with yours, I suggest that the wording of Column B(1) A be altered to include "\$1,000-\$0.01".

Although I found a way to duplicate Page 4 of 6 on the computer software by printing two separate Report forms I suggest that you conform the program in the future to allow for multiple pages when one page is not sufficient to include all Investments; or, at least clearly inform one without a computer science degree how to accomplish this feat.

Thanking you for your assistance, I am
