VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Greenberg, Morton I.

VIII. ADDITIONAL INFORMATION or EXPLANATION

I have the following explanations and information for the report. Paragraph II relating to agreements indicates that I have a pension from the State of New Jersey. This is the same item listed as the pension in paragraph III relating to non-investment income. I am receiving a pension based on early retirement under the New Jersey Judicial Retirement System Act, as I had more than 25 years of public service in New Jersey with more than five years as a Superior Court Judge. In view of my more than 25 years of service, I am also entitled to medical coverage for myself and [REDACTED] without charge, which includes reimbursement for Medicare charges. This was administered by Horizon Blue Cross & Blue Shield in 2010, except that the administrator of the prescription drug portion of the coverage in 2010 was Medco Health Solution Inc. of Lexington, Ky. I understand that the State pays the actual cost for the coverage. The benefits also include life insurance and a pension for [REDACTED] if [REDACTED] survives me. The amount of the pension for [REDACTED] will be based on the salary of a judge of the Appellate Division of the Superior Court as of the time of my death. While I previously believed that the life insurance also is based on the salary of a Superior Court Appellate Division Judge at the time of my death I now realize that the insurance is based on my salary when I retired in June 1987. Both paragraph II and paragraph III request "date." The best date I can give is to explain that I became a Superior Court Judge on December 20, 1973, and served until I retired in June 1987 when I became a judge on the Court of Appeals. I never entered into an individual written contract for the pension but was awarded it under New Jersey law. The same is true for the medical coverage. Thus, the "agreement" has no particular date.

I have shown the value of my life insurance policies, Item VII, lines 1, 2, and 3, because there is a cash surrender value for the policies. While I previously regarded them as not held for investment or the production of income but nevertheless voluntarily listed them, starting with the 2002 report I have reported the policies in accordance with the then new instructions for the Financial Disclosure Report. I have taken the value codes from annual policy statements but note that I do not have information for line 1, Washington Nat'l Ins. Co., previously Bankers Nat'l, from the company for specific cash value. I thus have made my calculation based on my knowledge of the history of the policy. The item for Pacific Mutual at item 2 includes two policies combined. I also have reported a Nationwide Life Ins. Co. of Am. policy at Item VII, line 4, that was not regarded as held for investment or production of income but starting with the 2002 report has been shown as it has a policy value. In 2002 it was shown as Provident Mutual but because of a name change is now Nationwide Life. I have taken the income amounts on the insurance policies from the IRS form 1099 where applicable. Item 3 for New York Life Ins. Co. combines two forms of income for form 1099 purposes, (1) interest and (2) other distributions from pensions, annuities, retirement or profit-sharing, IRAs and insurance contracts. If separated each would have an income value code of A. The policies listed as items 1, 2, and 3 are whole life policies but except for the small policy in item 2 I do not have to make premium payments on them because of accumulated dividends and interest.

I show income on Item VII, line 5, from an IRA which was invested in a certificate of deposit as Distribution. In fact an IRA distribution includes sources from the original deposits and accumulated earnings, in this case interest on a certificate of deposit which in 2010 still was accruing. However, the last IRA distribution was made on September 20, 2010 so the IRA now is gone.

I show Linwood Country Club stock at Item VII, line 6, which is not an investment property and produces no income. I probably do not have to show the Country Club stock as it was not held for income but I am voluntarily showing it.

I show General Motors Corp. common stock at Item VII, line 7, but that stock was in pre-bankruptcy General Motors. I owned the stock at the time of the bankruptcy and I understand that it now is worthless. Yet I had no transactions in the stock. I acquired it in October 1987 and it became worthless during 2009.

I show Delphi Automotive common stock item VII, line 12. Though I showed the stock on my 2009 report it is my understanding that the stock became worthless no later than 2009 and that the stock has been cancelled. In the circumstances the stock in both GM and Delphi was worth less than \$1,000 at the end of 2010 and neither company supplied me with any income during that year. Accordingly, as this situation with respect to income or value will not change I will not list either company in future years.

I have not listed as an asset the value of my interest in the New Jersey Judicial Retirement System under paragraph VII, as it was listed under paragraph II and the income from it was listed under paragraph III.

In Item VII, line 9, I list checking and money market accounts, and certificates of deposit with the Bank of America. I have aggregated the information for that bank for the various accounts.

I list the New Jersey Economic Development Authority twice as an investment, once as paragraph VII, item 16, and once as paragraph VII, item 29, because the two listings are for different bond issues I purchased at different times.
