VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of Report.)*

Regarding Part VII, line 14, although interest in Perkins Building Partnership was sold in full in September 2005, as reported in last report, during 2006 I received an additional distribution of [REDACTED] which reflected return of a deposit. I have no continuing interest in the partnership, so have listed the income but no value at year end.

On June 30, 2006, my Charles Schwab IRA balance was transferred to my Vanguard IRA account. The values from the transfer are reflected in the transfer notations on the funds identified in Part VII in lines 24 and 33.

On Part VII, transaction entries noted as "conversion" reflect conversion of Vanguard Investor Shares of the specified fund to become Admiral Shares of the same fund, which occurred when values reached a certain level. Accordingly, with regard to Page 5, lines 26-28, the third entry on line 28 is for a buy that reached the level of value in aggregate whereby these High-Yield Corporate Fund Investor Shares were automatically converted by Vanguard to be High-Yield Corporate Fund Admiral Shares. For that reason, we held no Investor Shares of this fund at year-end, and that is why lines 26-28 are blank on column C1 and C2, as there was no gross value at end of reporting period. However, the 8/18 date associated with the buy/conversion of the above shares, corresponds with the entry on line 21 for High-Yield Corporate Fund Admiral Shares, and on this the gross value category M is disclosed. The same type of conversion occurred with Long-Term Investment Grade Investor Shares, shown in the purchases, and transfer, at Page 5, lines 32-34 and Page 6, line 35. These were converted as of 8/18 to Admiral Shares as shown on Page 6, line 36. That is why Page 5, lines 32-34 and Page 6, line 35 for the Investor Shares show no value at end of reporting period under column C1.

Please also note that the entries on Page 4, lines 1, 10, and 15 are for names of accounts, not assets.

VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of Report.)*

Regarding Part VII, line 14, although interest in Perkins Building Partnership was sold in full in September 2005, as reported in last report, during 2006 I received an additional distribution of \$12.10, which reflected return of a deposit. I have no continuing interest in the partnership, so have listed the income but no value at year end.

On June 30, 2006, my Charles Schwab IRA balance was transferred to my Vanguard IRA account. The values from the transfer are reflected in the transfer notations on the funds identified in Part VII in lines 24 and 33.

On Part VII, transaction entries noted as "conversion" reflect conversion of Vanguard Investor Shares of the specified fund to become Admiral Shares of the same fund, which occurred when values reached a certain level.
