VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Please note that the entries on Part VII, lines 1 and 46 are for names of accounts, in the nature of a heading for the assets that follow that are within this account. These lines 1 and 46 are not designating assets. Each asset in the account designated in lines 1 and 46 is listed separately in Part VII.

Part VII, lines 54 and 55, lines 58 and 59, lines 62 and 63, reflect that the Investor Shares of the specified fund were automatically converted to Admiral Shares per Vanguard policy.

Part VII, line 53, shows Admiral Shares for the GNMA fund, whereas our report last year shows Investor Shares. The annual report for this year does not specify conversion of these shares, so it must have happened in a prior year automatically (from the Vanguard web site it appears to us that GNMA Investor Shares were converted to Admiral Shares 11/18/2008. We therefore just report this year on the Admiral Shares of the GNMA fund. Please consider my disclosure forms for 2008 and 2009 to reflect that 11/18/2008 conversion.

Part VII, lines 59 and 63 show the Investor Share funds that were converted to Admiral Shares. In connection with both the European Stock Index fund and the Pacific Stock Index fund, all dividends were paid after the conversion to Admiral Shares, so I don't show any income on these.
