VIII. ADDITIONAL INFORMATION OR EXPLANATIONS

(Indicate part of Report.)

Line 2 of Part VII: This property is located in Corsicana, Texas.

Lines 31 -33 of Part VII set out insurance policies that have investment portions. These policies were disclosed through the report for 2000. Thereafter, the instructions for non-investment income were found to contain this sentence: "Dividends on life insurance policies not held in whole or in part as an investment or for the production of income need not be reported." I interpreted that language to require no longer the reporting of these whole-life and 65-life policies. Now, the instructions say: "Cash value insurance is part insurance and part investment. . . . An insured person would have an ownership in the investment portion of such a policy that would be reported in Part VII." Accordingly, these policies return to this report.
