VIII. ADDITIONAL INFORMATION OR EXPLANATIONS

(Indicate part of Report.)

A. CAMELLIA TRADING COMPANY

Camellia Trading Company (CTC) is a [REDACTED] owned partnership now owned one-third by the filer and one-third each by [REDACTED]. Gradually, over several years, ownership has been transferred to [REDACTED] together with all management responsibility. In prior years, CTC was considered to be exempt from listing individual underlying assets because I did not direct or influence the purchase, sale or disposition of property owned by CTC. [REDACTED] made all management decisions.

Beginning in 2003, with the acquisition of mineral interests in which I became personally involved, the requirement of listing assets became necessary in order to comply with the filing instructions pertaining to Section VII. The values and income codes used in this report reflect 100% of what CTC owns. My interest, at the end of 2004, is one-third of the totals shown. CTC owns commercial real estate in Shreveport, LA, a brokerage account at Merrill-Lynch, and mineral interests in Louisiana and Texas. The listings in Section VII are in that order.

B. ST. VRAIN, LLC

Until May 19, 2003, I was separate in property from [REDACTED]. Effective May 19, 2003, [REDACTED] donated to a legal regime of community property between us a substantial portion of her separate assets. On the same day, [REDACTED] further transferred that property to St. Vrain, LLC, a Louisiana limited liability company which we had established on May 14, 2003. Our transfer of the property to St. Vrain, LLC constituted a joint community property capital contribution by us in that company.

St. Vrain, LLC is now owned by [REDACTED] and me. I am not a manager of the entity; I am not involved in its day-to-day operations; and I own a 45 % interest in it.

For all of the first 57 years of [REDACTED] property was her separate and paraphernal property, and none of it fell into the community property regime under Louisiana law. Prior to the formation of St. Vrain, LLC, none of the property, now owned by that entity, was required to be listed in any disclosure filed by me because: 1) the property was [REDACTED] separate and paraphernal property, and she alone had the financial interest and financial responsibility of it; 2) I did not derive or expect to derive a financial or economic benefit from the property and; 3) I had no knowledge concerning the property. Thus, pursuant to 5 U.S.C. Appendix 4, Sec. 102 (e)(1)(E), the property formerly owned solely by my spouse, and now owned by St. Vrain, LLC, was not listed.

The listing of St. Vrain, LLC holdings begins on Line 112 and lists bonds, common stocks, mutual funds, and mineral properties in that order. St. Vrain holds title to mineral property rights in 118 counties in 7 states, most of which are presently non-productive. These properties alone require some organizational structure and closer management than heretofore was possible. In accordance with the filing instructions, mineral properties with income levels less than \$200 and valuation of less than \$1000 are not listed.
