VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of Report.)*

1. Our assets are owned by the Brorby Revocable Trust or the Wade Brorby Irrevocable Insurance Trust or in the individual name of either myself or [REDACTED].
2. [REDACTED] as trustee, owns a whole life policy insuring my life. The insurer is Prudential Insurance Company. As this policy is not held as an investment, the policy income received is reported under Part III (Non-Investment Income).
3. Most of our investments are managed by Charles Schwab & Co. under a service described as Schwab Private Client.
4. ** This fund is a holding fund. All income from the various investments held by Schwab is paid into this fund. When the total of the monies in this fund becomes sufficient, additional investments are then purchased. All income paid into this fund is reflected on the line item of the source investment; i.e., the investment paying the dividend or interest which went into this fund. All investments purchased with monies from this fund are reflected on the appropriate line item. As there are many "buys" (money from investments) and "sells" (money used to purchase another investment), I have not set forth each transaction with this fund; however, all transactions are reflected under the source investment or the newly purchased investments. To set forth each transaction in this fund would, in fact, result in overstating both income and assets. The income reflected in the line item for this fund is only the income earned directly from this fund based upon the money actually in the fund.
