[REDACTED] claims to have responded to this tasker. Was their answer adequate? Can I close the tasker? Thanks,

Thanks for your prompt response. If you have the letter on electrons, that would be great.

After researching our database, I discovered that the report was hand carried to the SJA MDW office by one of my agents on 11 March 2004. The report was sent there by me and included a cover letter. If you are now missing the cover letter, please let me know and I will ensure that you receive another.
