Subject: Report

What was said: [REDACTED] said that she tried to pull up the tasker on this case but could not gain access. I told her that I had no access to the tasking system. She said that the suspense date is past and she did not know if they were still required to respond to the tasker. I told her that she was still required to respond.

She said that they have been unable to find a copy of the report and wanted to know if [REDACTED] could come up and review the report. I told Sowder that the case was assigned to [REDACTED]. However, [REDACTED] was in an interview right now but I would have him call [REDACTED] to schedule a time with her to review the report.
