[REDACTED] - things don't look good - our two star general is questioning if our involvement and if our support to you all is "in our [REDACTED] best interests" - can you beleive this?

Anyway - [REDACTED] is now on the phone to [REDACTED] passing the skeptical attitude about our involvement and support to MARCENT -

I'll keep you informed as I hear things... you may want to have your general call our (idiot) general...
