Subject: Instructions To Ft. Belvoir - INSCOM (Nolan) Building

CLASSIFICATION: ~~SECRET~~  
CAVEATS: ~~NOFORN~~  
TERMS: NONE

[REDACTED]

Best way to get everyone to Ft. Belvoir is to take 395S – go through the Springfield Exchange (no exit – just straight) when it becomes 95S.

Take 95S to the Ft. Belvoir/Newington Exit. Take the exit and proceed down the Fairfax County Parkway south east – it will take you to Ft. Belvoir.

After you take the exit you will proceed through two traffic lights – and under one overpass (Telegraph Road) – keep going until you come to the third light (I don't remember the name of the street – but it is a major intersection. Take a left at the light and proceed up the hill, past the Defense Logistics Agency (DLA) building complex (you'll see it to your right) to the Ft. Belvoir gate. As soon as you clear the gate take the right at the light and proceed the quarter mile to the INSCOM complex gate (it will be to your left).

There is guest/visitor parking outside of the wire – if you have a GOV they will let you into the complex.

Proceed to the front/guard desk of the main building and sign in – I'll be there at 1330 to join you all – our community badge will get us into the SCIF.

If anyone gets lost give me a call on my phone (before I get into the building – the phones have to be turned off inside) at [REDACTED]

Take care and have a great weekend.

V/R
