Non-Sufficient Funds (NSF)

Background

This section addresses the procedures to be used for completing the non-sufficient funds (NSF) cases. The NSF cases are identified by the Burlington Finance Center (BFC) and are listed in the NSF “New Bill Report” in the Federal Finance Management Service (FFMS) system.

For DACA, Forms I-821D and I-765 must be filed concurrently. There is no fee for Form I-821D. The \$380 fee is required for Form I-765. The \$85 biometrics fee is also required. Lockbox will be looking for \$465, either in one check or in two checks. The I-765 fee and the biometrics fee will be bundled in C3 and listed as one fee -- \$465. If the DACA requestor does not remit \$465, Lockbox will reject the entire filing. Even when the proper fee has been remitted, it is possible that payment may be returned due to NSF. The NSF can occur in a combination of scenarios: the fees are paid in one check and the entire check is returned as NSF; or the fee is paid in two checks and either or both checks are returned as NSF. Failure of either fee or both fees to clear the bank, or being made good within the 14 calendar days allowed, will result in denial of Form I-821D and rejection of Form I-765. See Chapter 9 for more information on the denial.

Retrieving the New Bill Listing Report in FFMS

Fee payments in the form of personal checks, cashier checks, or money orders are submitted along with a DACA request. When a discrepancy is found in a payment, such as stale, dated, or without sufficient funds, etc., the bank will notify the Burlington Finance Center (BFC) in Vermont. These non-payment checks or money orders are referred to as bounced checks. The BFC will compile all the bounced checks and enter the data into the FFMS system, create an invoice number for each bounced check case, and place them on the bounced check “New Bill Report.” The Service Center Records Divisions, on a daily basis, access this data via the FFMS website to download a bounced check “New Bill Report.”

Invoicing the Payee

Along with listing the case in FFMS, the BFC will also mail an invoice to the payee of the fee, requesting that the new payment be sent to them and that a \$30 NSF charge also be paid. The \$30 NSF charge is assessed on each bounced check.

Notifying the DACA Requestor

The Service Center will mail an informational notice on the I-797C to the DACA requestor regarding the specific NSF payment. In this case, the DACA requestor will receive the NSF notice, regardless of whether they are the payee or not. In this manner, both the payee and the DACA requestor receive notification if they are different parties.

Placing Case in Hold Status

To reflect the hold status of the case, the action codes will be recorded in C3, are as follows:

(b) (7)(E) CHECK BOUNCED, CASE NOT YET COMPLETED and
CHECK DEFICIENCY NOTICE 1 SENT

Place file on a hold shelf.

Completion procedure when case is paid

The bounced check paid cases are identified by Burlington Finance Center and are listed in the bounced check "Paid Activity Report" in the FFMS system. The Service Center Records Divisions access this data daily via the FFMS website to download the bounced check Paid Activity Report.

System Update Steps

The CLAIMS GUI I-765 record will be accessed. The new paid date from the Paid Activity Report will become the new Received Date in the record.

The remittance screen will be updated with the action code:

(b) (7)(E), FEE COLLECTED ELSEWHERE

A modified receipt notice will be printed and mailed reflecting the new Received Date. The action code recording this is (b) (7)(E) MODIFIED RECEIPT NOTICE 1 SENT

The hold status will be removed from the record. The action code recording this is: (b) (7)(E) BOUNCED CHECK CORRECTED ON CASE NOT YET COMPLETED

The case is now ready to proceed again through the pre-adjudication process. Schedule the biometrics appointment in SNAP and place the file on the biometrics hold shelf.

Mailing the Receipt notice

The receipt notice states:

“This is to notify you that we have received full payment for the above referenced application or petition and processing has resumed. Your filing date has been adjusted to reflect the receipt of payment. We will notify you separately of our decision on the application or petition.”

Completion procedure when case remains unpaid

Unless fee exempt, the DACA requestor has 14 calendar days from the invoice date to submit proper payment by credit card, money order or cashier's check to the BFC. The proper payment is \$465 -- \$380 for the Form I-765 and \$85 for the biometrics fee. If the \$465 was paid in two checks, either check exceeding the 14 calendar days allowed to correct NSF status will result in rejection of Form I-765.

- Pull the files that have been staged on the bounced check hold shelf for over 14 days and verify the case in the CLAIMS system and determine the bounced check “paid” status in FFMS.

Funds (NSF)**

The FFMS "Status" box indicates "OPEN"

The "Open" status means the BFC has not received the bounced check payment in full from the debtor. After the 14-day hold on the bounced check hold shelf, a C3/GUI application/petition shall be pulled from the hold shelf for review. If it has been over 14 days past due and the case status shows "Open" in FFMS and there is no indication of a "Change of the Due Date" made by the BFC in the in the Customer Log (RM043) screen, reject the Form I-765 as "untimely paid."

Recording the Rejection

The case is accessed in C3 and the action code recorded is (b) (7)(E)
BOUNCED CHECK NOT CORRECTED, REJECTED

Form I-765 form will be closed by the Records Analyst in this manner:

In the "Action Block" of the application, stamp in red or black ink
"REJECTED Bounced Check."

A memorandum is printed from a template in MS Word recording the following data:

Today's Date
Form Type
A# (if available)
Receipt #
Date Rejected
Invoice #
Amount
Debtor's Name (Optional)

Place this memo on the top of the right side of the DACA A-file.

Mailing the Rejection

A rejection notice printed on I-797 is generated from C3 and mailed to the requestor. It reads:

We previously notified you that the payment for the filing fee in the above case was returned. The Burlington Finance Center did not receive payment within 14 days of the invoice.

Your application or petition has been rejected as improperly filed. Any previously assigned priority or processing date is no longer applicable. A new application or petition must be filed, and a new fee is required, if you wish to pursue the benefit. Personal Checks will not be accepted.

Disposition of the I-821D

After processing the rejection for Form I-765 due to the NSF, on **the same day**, route the A-file to a DACA Supervisory Immigration Services Officer for issuance of a denial for the Form I-821D.

The denial should be issued per the instructions in Chapter 9 of this SOP.

D. Economic Necessity

Reviewing Economic Necessity

An EAD based on a grant of deferred action requires a showing of economic necessity. To facilitate this economic necessity review, a separate worksheet was created, Form I-765WS. To streamline adjudication of the DACA request and the I-765, officers will review the I-765WS during the adjudication of Form I-821D. During file set-up, the I-765WS will be put in ROP order immediately behind the Form I-821D.

If Form I-765WS is completely blank or is missing, issue an RFE on the I-765 (not the Form I-821D) using DACA 180 call up from Appendix D, but only if the requestor does not include evidence that a fee exemption was granted. The fee exemption will be indicated in C3 as “Fee Waiver Granted.” If an officer issues an RFE on the I-765, he/she should proceed with adjudication of the I-821D. When the response to the I-765 RFE is received and the I-765 is approved, the expiration date of the EAD should not exceed the end date of the deferred removal under DACA.

If the requestor does not respond to the I-765 RFE, the I-765 should be denied for abandonment; however, the Form I-821D can be approved for DACA if the guidelines have been met. When denying the Form I765 for abandonment, officers should use the standard abandonment denial used at their centers.

If/when Form I-765WS has been completed, review the information provided regarding current income, assets, and expenses to determine whether economic necessity has been established. The requestor may, but need not, include supporting documents with Form I-765WS.

There is a general presumption that DACA requestors will need to work given their undocumented circumstances and the fact that they are not generally anticipated to have independent means. Absent evidence of sufficient independent financial resources, the Form I-765WS is sufficient to establish economic need, without any further economic analysis.
