Btw, it turned out FABULOUS! I am so in love with the lede about not wearing shoes and quoting SHakespeare. And even the stuff that stings is fair/expected. But most of all, I love the way you wrote it. You're such a good storyteller. Really a terrific job. Thank you so much for doing it.

Honestly, I think that's kind of lame to leave it at that. It loses any sense humor that was in it.
