I have a conundrum. ABA come in twice a year to discuss issues of interest and ask whether they can assist us with any matters. looks like 6 items are asking status of long outstanding regs and wanting to know what they can do to help.

Suggestions? I won't even be there--
Holly/David will have to do it.

Shirley,

Attached is our proposed agenda for the meeting between the ABA Tax Section Exempt Organizations Group, the ABA Health Law Section Tax and Accounting Group and the TE/GE Division. We realize that this is a long agenda for a one-hour meeting and will simply do the best we can to cover these matters in that time.

Please let me know if you need any additional information.

Best regards,
Suzy
