RE: 2006 Financial Disclosure Report

-  
rn 0

Dear Judge Smith:

I have received your letter regarding my 2006 Financial Disclosure Report. In response to your request to clarify certain entries in Part VII that you state were not listed in my prior Report. I apologize for not responding sooner; I was out of Chambers for most of the month of June due to a medical procedure.

I have checked my 2006 Report and compared the entries to those found in my 2005 Report. With regard to Lines 58-59 and 62-63, I believe that these listed assets were duplicative of other assets listed earlier in the Report. In my revised 2006 Report, enclosed, I have deleted these entries. Regarding two of the Lines you cited, I believe that the discrepancies between the two reports result from slightly different descriptions of the assets in question. Below please find the assets you cited and the corresponding listing of the assets in my 2005 Report:

| 2006 Line | 2006   | 2005 Line | 2005                                 |
|-----------|--|-----------|--------------------------------------|
| 60        | New Jersey EDA WTR FCS 27 NJ Econ Dev Auth WTR F ACS REV |           |                                      |
| 67        | New Jersey ST EDL FCS Kean Univ                          | 57        | New Jersey State EDL FCS A Kean Univ |

I apologize for any confusion. It appears that these assets were described differently in my statement from my financial advisor. I did not purchase these assets during the reporting period, and they were not previously exempt from disclosure. I have corrected these entries in my 2006 Report so that they correspond to the description used in my prior Report.

Enclosed please find three copies of my revised 2006 Report. If you require any
