VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of Report.)*

Note 1: Re: assets in Sec. VII whose value method is reported as "Q": I have again used the Medina County Auditor's most recent appraisal figures. I am unable to provide the date of the appraisal in any of these cases because it was not provided to me. The appraisals were done for the 2004 real estate tax valuations, are outrageously high, and are the valuations used to calculate our real estate taxes.

Note 2: Sec. VII, Line 51: For reasons known only to your programmers, the spectacularly wonderful new software will not permit the printing of two lines in the first box of line 51, but instead carries the information over to the next page. That account asset is the S&P Midcap 400 Growth Index Fund. The program is perfectly satisfied to permit all of this information to appear in one box on lines 9, 24 and 38. Don't look at me -- I tried everything to make it appear correctly.
