Drell, Dee D.

Date of Report

12/16/2013

VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

From Part VII, line 1: Value based on non-consummated offer to purchase

From Part VII, lines 6 and 7: In regard to Equitable Variable Life Ins. Co and Provident Life & Accident Insurance Company. Both are universal or variable life policies. Value code reported for both is net value of unloaned portion of "Guaranteed Interest" Account..

From Part VII, line 2: Retirement Account converted into monthly retirement benefit in state retirement system [REDACTED], now reported in Part III-B

From Part VIII, lines 19 & 20. The Inland Western REIT went public, becoming known as Retail Proeerties of America, and trust shares were converted to stock. Selections in Part VII did not adequately explain this action. Further, thye software would not allow me to spin off the asset on line 19 into line 20, where it now belongs. The pop-up box for entering a page number was there, but it refused to allow the entry, without explanation. Thus, I have simply described the transaction as OPEN.

from Part VII, Lines 39 & 40. This is apparently only a change of name as reflected on brokerage statements. Old name used on previous reports was Templeton Income Fund, Class C

In re: amendments to this report:

Part VII, lines 49 and 52 have been amended to reflect that there are two different money market accounts, both with FSC Securities Corp.

Part VII, line 37 lists Frankiln Income Fund, Class C. The entry in column D(1) on this report is correct, as an amendment was previously filed for the 2011 report. That amendment properly reflected that the sale of the Franklin asset in 2011 was only partial.

Part VII, The changed status for 3 previously reported funds has been added in lines 10, 11, 13.
