**VIII. ADDITIONAL INFORMATION OR EXPLANATIONS.** *(Indicate part of Report.)*

Note 1: Trust 1 is a [REDACTED] trust that holds [REDACTED] similar assets. Other reportable assets held by the trust are included separately in Part VII. Trusts 2-4 are college education trusts that hold the assets listed below each trust.

Note 2: The property listed on lines 9-16 is rental property owned by El Dorado Investments, LLC, [REDACTED] investment business owned collectively by five individuals and the estate of a sixth. Rent is paid to the LLC, mixed with rental income from other LLC properties, and used to pay expenses for the various properties owned by the LLC and general expenses of the LLC. After expenses are paid, income is attributed to the LLC owners for tax purposes, and some distributions are made to owners. Total income attributed to me from the LLC for 2006, and the value of my ownership interest in the LLC, are shown on Line 8. I receive no rental payments directly from any of the properties listed on lines 9-16. I did not list the separate properties owned by the LLC in previous disclosure statements because it was not until 2006 that I acquired the ability to influence decisions concerning the purchase or sale of LLC.

Note 3: These water rights were owned by [REDACTED] some time ago, and, we recently learned, may have value in excess of \$1,000. They were not listed in my previous financial disclosure statements because we did not realize they had value.

Note 4: Previous financial disclosures have listed two bank accounts, but I learned in preparing this report that we in fact have a third. The third account inadvertently was omitted from previous disclosures.
