VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of Report.)*

Please note that the entries on Part VII, lines 1 and 8 are for names of accounts, in the nature of a heading for the assets that follow that are within this account. These lines 1 and 8 are not designating assets. Each asset in the account designated in lines 1 and 8 is listed separately in Part VII.

Regarding Part VII, line 7, although my interest in Perkins Building Partnership was sold in full in September 2006, as reported in prior reports, during 2008 I received an additional distribution of \$511, which reflected return of a share of an escrow reserve deposit containing part of sales proceeds held in the event of claims. No claims were made against the holdback and so this distribution was given to me from the escrow account. I have no continuing interest in the partnership, so have listed the income but no value at year end.

On Part VII, line 9, I list Vanguard Prime Money Market Fund with the required data on dividend and year-end value. By inadvertence, this money market fund was not listed in my 2007 report. This will advise that the income for the year 2007 was B, the type was dividend, the value at year-end was J, and it was computed on a cash basis T.

On Part VII, I have transactions at lines 11 and 18 where I made a partial sale of Vanguard Primecap Fund to exchange for a bond fund, Vanguard High-Yield Corporate Fund.

On Part VII, I have transactions at lines 13, 15, 16, 17, 19, and 23 where I made partial sales of Vanguard Capital Opportunity Fund to exchange for bond funds: Vanguard Short-Term Investment-Grade Fund Admiral Shares, Long Term Investment Grade Fund Admiral Shares, and GNMA Fund Investor Shares.

On Part VII, transaction entries at lines 20 and 21 show a sale of GNMA Investor Shares and a buy of GNMA Admiral Shares, reflecting an automatic conversion of these shares whereby Vanguard Investor Shares of the specified fund become Admiral Shares of the same fund, which occurs when values reach a certain level.
