VIII. ADDITIONAL INFORMATION or EXPLANATION

I have the following explanations and information for the report. Paragraph II relating to agreements indicates that I have a pension from the State of New Jersey. This is the same item listed as the pension in paragraph III relating to non-investment income. I am receiving a pension based on early retirement under the New Jersey Judicial Retirement System Act, as I had more than 25 years of public service in New Jersey with more than five years as a judge. In view of my more than 25 years of service, I am also entitled to medical coverage for myself [REDACTED] without charge, which includes reimbursement for Medicare charges. This was handled through Horizon Blue Cross & Blue Shield in 2007, but I understand that the State pays the actual cost. The benefits also include life insurance and a pension for [REDACTED]. The amounts of the insurance and the pension will be based on the salary of a judge of the Appellate Division of the Superior Court as of the time of my death.

I have shown the value of my life insurance policies, Item VII, lines 1, 2, and 3, because there is a cash surrender value for the policies. While I previously regarded them as not held for investment or the production of income but nevertheless voluntarily listed them, starting with the 2002 report I have reported the policies in accordance with the new instructions for the Financial Disclosure Report. I have taken the value codes from annual policy statements but note that I do not have information for line 1, Washington Nat'l Ins. Co., previously Bankers Nat'l, from the company for specific cash value. I thus have made my calculation based on my knowledge of the history of the policy. The item for Pacific Mutual at line 2 includes two policies combined. I also have reported a Nationwide Life Ins. Co. of Am. policy at Item VII, line 4, that was not regarded as held for investment or production of income but starting with the 2002 report has been shown as it has a policy value. In 2002 it was shown as Provident Mutual but because of a name change is now Nationwide Life. I have taken the income amounts from the IRS form 1099 where applicable. Item 3 for New York Life Ins. Co. combines two forms of income for form 1099 purposes, (1) interest and (2) other distributions from pensions, annuities, retirement or profit-sharing, IRAs and insurance contracts. If separated each would have an income value code of A.

I show income on Item VII, line 5, from an IRA which is invested in a certificate of deposit as Distribution. In fact an IRA distribution includes sources from the original deposits and accumulated earnings, in this case interest on a certificate of deposit which still is accruing.

I show Linwood Country Club stock at Item VII, line 6, which is not an investment property and produces no income. I probably do not have to show the Country Club stock as it was not held for income but I am voluntarily showing it.

I have not listed as an asset the value of my interest in the New Jersey Judicial Retirement System under paragraph VII, as it was listed under paragraph II and the income from it was listed under paragraph III.

In Item VII, line 9, I list checking and money market accounts, and certificates of deposit with the Bank of America. I have aggregated the information for that bank for the various accounts.

In Item VII, line 12, I list Belleville Township Improvement Authority Bonds. There was no change in this item from last year when I valued it as K though I now value it as J. I changed the designation so as to base the value on face value rather than the hypothetical value based on market conditions with respect to interest rates.

Item VII, line 29, shows a new item, Spectra Energy Corp. This was a spin off from Duke Energy Corporation on a 1 for 2 basis in which I also received \$14.31 for an odd share. So I paid nothing for the Spectra stock.

I have not listed a New Jersey Property Tax rebate paid in 2007 as I do not think that that is income for purposes of these forms.
