Dear Ms. Visintainer,

On behalf of our clients, XPAND corporation, please accept our deepest condolences for your loss and for the tragic events of last night. In light of these difficult circumstances, please note that XPAND shall put its differences with the security operators, Blue Mountain UK, to the side for the moment, and shall allow the use of its security license by BMUK to meet your full needs until a suitable alternative has been arranged.

Our prayers are with the families of the victims.

Regards,
