Thank you for your message.

If we do not get an opportunity to discuss this matter over the telephone, please provide me a written response as to Blue Mountain UK position to the letter. In addition, what is Blue Mountain's position relating to operations in support of the Benghazi contract under a valid license? Please provide the requested response by 12:00 pm EDT on Wednesday, September 12, 2012.

Thank you in advance for your assistance with this request.

Best Regards,
Jan

Apologies for the delay, only today back in the office from travelling.

I have never ever experienced anything like this in business before. The agreement was signed and we were to operate under the BML licence and confirmation of this was due through from the partners. However, they have had a change of mind and now this.

I will call you very shortly.

Best regards,
