FINANCIAL
DISCLOSURE OFFICE

Dear Judge Lisi:

Thank you for your letter of June 27, 2005 requesting additional information that is required for my 2004 Annual Financial Disclosure Report by Section 102 of the Ethics in Government Act of 1978. I apologize for the length of time it has taken to reply.

I will attempt to respond first to the issues raised concerning the mutual fund accounts in paragraphs 2 and 4 of your letter and then to the "rental property #1, Xenia, Ohio" issue raised in paragraph 3 of your letter.

As to the references to my mutual funds, "Fidelity Magellan" and "Fidelity Growth" which were not listed in my previous 2003 report but were listed in Part VII, page 2, lines 10 and 11 of my 2004 report, these funds were designated by the Ohio Public Employees Deferred Compensation Program to replace my mutual funds, "Putnam Investor" and "Janus Fund" which were listed in Part VII, page 1, line 18 and page 2, line 19 of my previous 2003 report but were not listed in my most recent 2004 report.

As you can see from the attachments to this letter (Attachments #1 and #2) the Ohio Public Employees Deferred Compensation Program required that my investments in "Putnam Investors" and "Janus Fund" be transferred to other funds "Fidelity Magellan" and "Fidelity Growth Company" for reasons contained in their communication of December 1, 2003 (Attachment #1). Pursuant to that communication requiring this transfer and/or exchange, I exchanged my funds in "Putnam Investors" and "Janus Fund" to "Fidelity Magellan" and "Fidelity Growth Company" as follows:

Janus Fund

Fidelity Growth Company

Dear Participant:

As we reported in our last newsletter, accusations of market timing and late trading abuses have been made against many mutual fund management firms. To date, several mutual fund management firms used by the Program are being investigated including Banc One, Janus, Putnam and PBHG. However, to the best of our knowledge, only one of the funds offered in the Program portfolio, PBHG Growth, has been named in the ongoing investigations.

The Ohio Public Employees Deferred Compensation Board understands that monitoring and offering sound investment options are important responsibilities. The Board has had written investment policies for years, which require the regular review of all investment options. While the Board seeks the expert advice of outside investment consultants to analyze the performance of mutual funds and to recommend keeping or replacing funds, the Board ultimately has the responsibility for making all decisions in the best interest of our participants.

Rather than take any impulsive actions regarding any mutual fund or the mutual fund management firms based upon accusations alone, our investment consultant, Ennis Knupp, was directed to update their research of each mutual fund management firm currently under investigation. The consultant's recommendations take into consideration short and long-term fund performance, changes in portfolio and organizational management, changes in investment strategy or portfolio characteristics, and an overall management research rating.

Based upon our consultant's analysis and recommendation, Banc One will continue to be one of the Guaranteed Return Option (GRO) managers. However, the Board has voted to change the availability of the following funds offered through the Program: PBHG Growth, Putnam Investors, Janus Twenty, and the Janus Fund. Our records indicate that you have an investment balance or may be deferring into one or more of these funds.

You will have until 4:00 p.m. on February 25, 2004 to move any existing balances out of the PBHG or Putnam Investors funds and to stop deferrals to the Putnam Investors, Janus Fund and Janus Twenty funds. If you do not take any action, your investment balance and/or deferral allocation will be automatically moved according to our consultant's recommendations. Our consultant has identified a replacement fund for each of the affected investments above. Each replacement fund represents a similar investment style and objective of the corresponding closed fund. The identified replacement funds are shown in the chart on the next page.

(continued on back)

Closed Fund	Balance Exchange Required	Deferral Change Required	Replacement Fund
PBHG Growth	Yes	N/A	Vanguard Capital Opportunity
Putnam Investors	Yes	Yes	Fidelity Magellan
Janus Twenty	No	Yes	Fidelity Growth Company
Janus Fund	No	Yes	Fidelity Growth Company

To obtain a current prospectus, contact the Service Center or log-on to the Program web site. The Program still offers an excellent variety of funds. You are encouraged to take this opportunity to re-evaluate your asset allocation and after researching the Program's investment options, create a diverse investment portfolio designed to match your time horizon and risk tolerance.

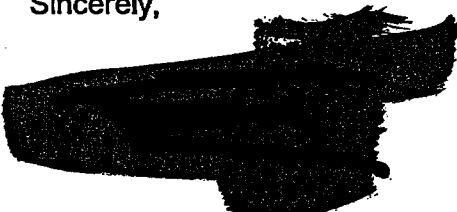

You can be assured that the Board will continue to monitor the status of the investigations, remain diligent in its review of the mutual fund management firms, and will act in the best interest of Program participants. Updates will be posted on the web site and in future newsletters in an effort to keep all participants informed. In addition to checking the Internet for updates, you may want to research this topic in financial newspapers and magazines.
