Sedwick, John W	04/17/2006

VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of Report.)*

1. Part VII: IRA #:1 had minor additional income explained as follows: An asset formerly owned named R&D Partners is still being wound up and small distributions in connection with winding up of its affairs were received as follows: 04/08, 06/30, 9/29, and 12/22, and 12/29. The first four were associated with an unvalued interest called Centocor CPR and the last with an unvalued interest called Genzyme CPR. Each payment had income code A.

2. Part VII: The Keogh plan was rolled into the Spouse's IRA on July 13, 2005. There were no 2005 transactions in the Keogh plan prior to its termination. The four investment funds contained in the Keogh plan in 2004 were sold as part of the rollover process itself all at income code A. New assets purchased thereafter in the Spouse's IRA are reflected on individual lines in Part VII.

3. Part VII: IRA #2 was rolled into IRA #1 on June 20, 2005. There were no 2005 transactions in IRA #2 prior to its termination. The investments that had been contained in IRA#2 were maintained in IRA #1 until August 17, 2005, when they were sold in transactions reflected on individual lines in Part VII in connection with IRA #1. New assets thereafter purchased are reflected on individual lines in Part VII.

4. Part VII: State Street Research Aurora Fund changed its name. At some point effective in 2005, State Street Research Aurora Fund changed its name to Blackrock Aurora Fund. In past reports the name used was State Street Research, and in this report the name used is Blackrock Aurora.
