VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of Report.)*

1. Part VII: In 2005, IRA #2 was rolled into IRA #1 leaving me with one IRA. Although I now have only that one IRA, I have elected to continue calling it IRA#1 for simplicity in completing the report.
2. Part VII: IRA #1 had minor additional income as follows: An asset formerly owned named R&D Partners is still being wound up and small distributions in connection with winding up its affairs were received on 4/04, 6/29, 10/06 and 12/29. The first two were associated with an unvalued interest called Centocor CPR and the second two with an unvalued interest called Genzyme CPR. Each payment had income code A.
3. Part VII: Funds on deposit with the State of Alaska related to [REDACTED] retirement from the State of Alaska were rolled into her IRA during 2006. However, movement of the funds on deposit did not alter her pension. She continues to receive a pension from the State of Alaska which is reflected in Part III. B.
4. Part VII: Two of the three bonds listed under the UBS Accounts entry were purchased in 2005, but the purchases were overlooked and not listed on the 2005 report. They are the Cleveland Ohio Airport Bond purchased on 10/24/05 and sold on 12/18/06 and the Metropolitan Transit Authority NY Bond purchased on 11/09/05 and sold on 1/05/06.
5. Part VII: In 2005 cash in IRA #1 was held in the "Retirement Money Fund" and that fund was listed in Part VII. In 2006, the IRA custodian ceased to use that fund and instead has held cash in "UBS Bank Deposits." According to the custodian the deposits are in FDIC insured institutions, but the identity of the institutions has not been disclosed. Total cash on hand at the end of the year was less than \$500.
