Lines 21 & 22 show the unsold Jots in my Residential Subdivision at the end of the reporting period with an estimated value for those unsold lots on Line 21. There will be no income produced by the remaining Jots in inventory uµless and until they are sold.

Line 35 through 61 -This is a second IRA rollover account held at a brokerage house. It was opened after the partial sale of 1st American stock that was made in the first IRA rollover account. I have a money manager who invests this account, thus, it is designated "IRA Managed Rollover".

Lines 62 through 92 -As I have noted for several years, I may own oil and gas interests which I inherited or obtained otherwise and of which I have no records. All income-producing interests have been included in my reports. As leasing activity occurs, I add them to my report.

is the trustee and beneficiary of Trust #1. The Mineral Interests listed at lines 131 through 134 are other fractional mineral interests under the same tracts that are listed on lines 105through'109 as assets not owned in trust.
