VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. (Indicate part of Report)

VII

Line 19 - This item purchased June 3, 2004 were inadvertently omitted from 2004 FDR and 2005 FDR.

Line 20 - This June 27, 2005 purchase was inadvertently omitted from 2005 FDR.

Lines 25 & 26 show the unsold lots in my Residential Subdivision at the end of the reporting period with an estimated value for those unsold lots on Line 25.

There will be no income produced by the remaining lots in inventory unless and until they are sold.

Line 42 through 46 - This is a second IRA rollover account held at a brokerage house. It was opened after the partial sale of J st American stock that was made in

the first IRA rollover account. I have a money manager who invests this account, thus, it is designated "IRA Managed Rollover".

Lines 47 through 56 - This is a third IRA account held at a brokerage house. It was opened January 2005 with a transfer of funds from IRA #2. These items were

inadvertently omitted from 2005 FDR.

Lines 57 through 87 - As I have noted for several years, I may own oil and gas interests which I inherited or obtained otherwise and of which I have no records.

All income-producing interests have been included in my reports. As leasing activity occurs, I add them to my report.

Line 106 through 130 - A member who in 2006 was the trustee and beneficiary of Trust #1. The Mineral Interests listed at lines 126 through 130 are

other fractional mineral interests under the same tracts that are listed on lines 101 through 105 as assets not owned in trust.

Line 88 through 130 - These items were included in the member who in 2006 and were members other than myself.

Therefore, these items will not be reported on my 2007 FDR.
