VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of Report.)*

I participate in the Federal Thrift Savings Plan, but it is my understanding that this asset need not be listed.

All individual assets held in brokerage accounts are individually disclosed in report.

The double listing of certain investments is due to the fact that some are in [REDACTED]'s name. I have not designated which are [REDACTED] assets, but I list them separately because they are individual holdings which might be sold separately at a future time.

Various investment accounts held at Bear Stearns were, during the calendar year, transferred to RBC's (Royal Bank of Canada) Wealth Management facility in Chicago. Accordingly, the individual investments are listed under the heading Bear Stearns/RBC. The transition of investments occurred over some weeks. These are non-discretionary accounts.

In previous years, the Union League Club was listed under "V. Gifts." Based upon further information, and upon the opinion of the Committee on Codes of Conduct, the monthly fees paid by judges are equal to fees paid by younger members, clergy and military. The fees exceed the overhead costs to the club, and the privileges accorded are less than those accorded regular members. In the opinion of the Committee on Codes of Conduct, this fee classification does not constitute a "gift" under the Ethics in Government Act.

In Section VII, I list Illinois Sports Facilities Authority Bond. It was acquired with a series of other state Authority bonds over time. I believed it was an Illinois Development Authority Bond and included its value when reporting those bonds. When the Illinois Development Authority Bonds were redeemed, the Sports Facility bond remained, and I realized it was a bond issued by a separate state agency, and I belatedly list it now.
