Washington, D.C. 20520

Case No. F-2015-06322

Segment: S/ES-0001

Mr. William F. Marshall  
425 Third Street SW, Suite 800  
Washington, DC 20024

Dear Mr. Marshall:

In response to your request dated March 18, 2015, regarding the release of certain Department of State material under the Freedom of Information Act (the "FOIA"), 5 U.S.C. §552, we initiated a search of the following Department of State record system: the Office of the Executive Secretariat.

The search of the records of the Office of the Executive Secretariat is still ongoing. We have retrieved 37 responsive documents. After reviewing these documents, we have determined that 21 may be released in full and 16 may be released with excisions. All released material is enclosed.

An enclosure explains Freedom of Information Act exemptions and other grounds for withholding material. Where we have made excisions, the applicable exemptions are marked on each document. All non-exempt material that is reasonably segregable from the exempt material has been released.

We will keep you informed as your case progresses. If you have any questions, you may contact Trial Attorney, Caroline Anderson, at (202) 305-8645 or [Caroline.J.Anderson@usdoj.gov](mailto:Caroline.J.Anderson@usdoj.gov). Please be sure to refer to the case number shown above in all correspondence about this case.

Sincerely,

A handwritten signature in cursive script, appearing to read "Karen M. Ginnegan for".

John F. Hackett, Director

Office of Information Programs and Services

Enclosures: As stated.

Sorry I got so many requests at the same time. Attached and below is a greeting to the Global Chief of Protocol Conference (per CPM) and for the 10<sup>th</sup> anniversary of the Pamela Harriman Foreign Service Fellowship Program (also from Protocol, requested by Janet Howard of Coca-Cola). The second one is for an event tonight – are these ok?

#### GLOBAL CHIEFS OF PROTOCOL

Dear Friends:

It gives me great pleasure to welcome you to the U.S. Department of State for the first ever Global Chiefs of Protocol Conference.

While technology increasingly allows us to communicate from afar, there is no substitute for meeting face to face. This gathering provides a wonderful opportunity for you and your counterparts from around the world to exchange ideas and knowledge, discuss best practices, evaluate and enhance your craft, and develop a blueprint for the future. As you know so well, protocol is the backbone of diplomacy; your work shapes bilateral and multilateral meetings, providing the environment in which diplomacy can occur, and in the process, fosters cultural exchange and strengthens relationships.

Please know you have my best wishes for a productive and rewarding conference, and my highest hope that your stay in Washington, D.C. is enjoyable and memorable. I look forward to seeing you on my travels!

With best wishes, I am  
Sincerely yours,  
Hillary Rodham Clinton

#### PAMELA HARRIMAN FOREIGN SERVICE FELLOWSHIP PROGRAM

Dear Friends:

I am delighted to extend my heartfelt greetings to all those gathered to celebrate the 10th Anniversary of the Pamela Harriman Foreign Service Fellowship program.

Established in memory of my dear friend, Ambassador Pamela Harriman, this fellowship remains a vital tool of diplomacy. With the myriad challenges we face around the world, it is essential that we cultivate

a new generation of young leaders who will work together to find solutions, forge peace, and foster prosperity. Inspired by her remarkable example, the Harriman Fellows stationed at the State Department, and our Embassies in London and Paris, are precisely the young people we need at this important moment in history, and it gives me great pleasure to wish them successful careers in diplomacy.

Ambassador Harriman was an extraordinary woman whose dedication to public service remains an inspiration. While I regret I am unable to be with you tonight as you honor and celebrate her legacy, you have my best wishes for a wonderful event.

With warm regards, I am  
Sincerely yours,  
Hillary Rodham Clinton

REVIEW AUTHORITY: Barbara

Fabiola is requesting that HRC provide a short greeting for her to read at a U.S.-Mexico Foundation event honoring Raul Yzaguirre next week. Attached and below is a draft I put together with some help from Case. Does this look ok? If so, I will autopen and pass to Fabiola. Thanks!

Dear Friends:

I am delighted to join the U.S.-Mexico Foundation in celebrating my dear friend and colleague, Ambassador Raul Yzaguirre, as he is honored with the Hermandad Award.

I first met Raul while working in South Texas organizing voters in 1972; his energy and passion were as evident then as they are today. He taught me to connect the struggle for Latino rights to the larger fight for social justice in our country, and he went on to take over a small organization and transform it into one of America's most important Hispanic voices. As President of the National Council of La Raza, he united Latinos behind a common identity and a common cause. Raul was a pioneer in leading efforts to foster linkages between diaspora communities and ancestral homelands, and today he continues his lifetime of service in his role as U.S. Ambassador to the Dominican Republic.

While I regret I am unable to be with you on this special occasion, please know you have my best wishes for a wonderful and memorable event.

With best wishes, I am

Sincerely yours,  
Hillary Rodham Clinton

The Smithsonian's Postal Museum is seeking, for an exhibit on U.S.-China ties, the Secretary's autograph on a postmarked card from the 2010 Shanghai Expo. **Subject:** Hanoi Hotel Options

Huma,

Post recommends the Sheraton as the best hotel option for Hanoi.

1. The Sheraton hosted the Secretary in July 2010 and October 2010 and much of the hotel staff remains, so they know the drill. The July 2010 visit S stayed in the Imperial Suite (shown in attachment and the suite available for this visit); in October 2010, since another Head of State was also in the Sheraton and occupied the Imperial Suite S stayed in the Presidential Suite. The Imperial suite is spacious and very bright and airy, with lake views. It has a large bathroom with Jacuzzi style tub and walk in shower. The Sheraton was redecorated and refurbished within the past 12 months, so it is in excellent condition and is very attractive. From a logistics perspective the hotel is excellent as it has a very large parking area for staging motorcades. It's location is in close proximity to government buildings where most meetings are likely to be held.
2. The Hilton Opera House has a very attractive suite, but not quite to the standard of the Sheraton. The Suite is bright with numerous windows with views of the Hanoi Opera House. The suite bathroom is nice, but not quite to the standard of the Sheraton.
3. The Metropole is a lovely French colonial style hotel. The Metropole suite is very stylish and attractive. The SecDef group that stayed there had negative comments regarding the hotel. There are no freight elevators and passenger elevators are very small, just large enough for one luggage cart and one person; as a result it took quite a while to get all the bags to/from the rooms. The hotel is great for tourists, business executives and small groups, but is not geared toward handling large delegations.

P.S. Post reminded us that the entire focus of the Hanoi stop is to promote U.S. businesses and trade. Given the purpose of the stop, the optics of staying at the available quality American name brand hotels would carry the same message, hence another for choosing The Sheraton.

Thanks,  
T

Any chance we could try and get these calls out of the way before folks start heading for BBQ land? I was thinking around 2, with a call to Copenhagen for just stratcom, Wossie and you guys, followed by a larger call with Andrew in Tromso and then Nathan in Stockholm.

hi gideon! sorry i have been delayed in responding, have been a little overwhelmed with everything going on but still very much looking forward to this.

I just reviewed and the list is wonderful. I think it would be very nice to invite her predecessors. here are my immediate thoughts on additions and i will discuss with the Secretary today as well.

- of course on adding marc grossman
- Can we include Senator Chuck Schumer especially since the junior senator is included
- Jake Sullivan, our Director of Policy Planning
- Oscar and Annette de la Renta
- Liz Sherwood Randall from the White House
- Maybe a couple more senators but will confirm

I was very sorry to hear about the Secretary's fall. I hope she is feeling better. The Ambassador asked me to add Marc Grossman and his wife to the list. He also wondered whether we should just start inviting people, since we have only a few working days before the dinner.

Dear Huma

Great to talk. Below is a suggested guest list for the dinner the Foreign Secretary wishes to give for Secretary Clinton on 4 January at the Ambassador's Residence. We are aiming for 30-40 guests for the dinner and so are looking to invite double that. Please feel free to add or delete any names as you see fit.

Please note the Foreign Secretary is likely to be joined by his wife Ffion.

The Foreign Secretary wondered if Secretary Clinton would like any of her predecessors to join the dinner. He had in mind some or all of Colin Powell, Madeline Albright or Condoleezza Rice. Please let us know what you think of this idea.

I would be very grateful if you could pass back an amended list as soon as possible, since there is little time between now and the dinner.

Thank you for all your help!

Do you have any thoughts/ideas of folks to look at for this?

Huma,

We just received a phone call from Steve Simon's office. He plans to join the Secretary in Geneva - just wanted to check with you if this was already approved and if he would be manifested on the plane for the return home.

Toria plans to fly direct to Geneva so we will include her in our plans. Is there anyone else who will join so we can add them to our room block and the plane manifest?

Thanks, Theresa

**Subject:** RE: Russian Visa for Huma

Hi Lilian -- just checking in because im not here tomorrow.  
Do you know the likelihood of the visa getting approved? You saw that Huma's flight is out of NY and shes leaving tonight for DC so not sure how we can get the passport to her...

Lilian,

As discussed, Huma may join the Secretary in St Petersburg but we need to figure out how to get the visa in time. I think it is best to use travel dates of June 27-July 1 for now so even if Huma travels within that window, her visa covers the correct dates.

Monica,

Lilian needs the commercial itinerary in order to request the visa. Please send her a roundtrip itinerary so she can use that for the application. I think it is most realistic for Huma to depart Washington on Thursday with arrival in St Petersburg on Friday.

Elizabeth asked Tom to send letters to the attached companies re USDC. The letter includes an invite to the June 20th event. Companies have been vetted.

Since you are reviewing the full guest list, wanted to make sure you saw this too before letters went out.

Let me know if you have any concerns.

Stephanie:

All clearances are in. The package of documents (AM, two letters, list of corporations for letters) is attached.

As I mentioned to you on the phone, S/ES-CR edited and cleared the draft letter. However, they asked to send a digital copy of the letters, with the names & addresses inserted, before the letters get printed. John Calliste is preparing those digital letters right now. After S/ES-CR clears the digital versions, we will bring the hard copies of the letters over for signature. I am assuming here that D(N) will sign the memo since he has already previewed it in draft. Or should we wait to print the hard copies until we hear back that he has signed the AM?

Dear Grace,

It was good to chat with you on the phone to set up the above-referenced meeting with Mr. Lauder. Attached as promised is Mr. Taplin's bio. Can you please send Mr. Lauder's to me, as well as that of Ms. Lavereau (sp?).

The embassy address is 2 avenue Gabriel, in the 8<sup>th</sup> arrondissement. As I mentioned on the phone, Mr. Lauder and Ms. Lavereau should have passports in hand when they arrive, for smooth passage through security. Also, please be advised that they will be requested to leave electronic devices at our security gatehouse prior to entering the embassy.

Mr. Taplin will ask our Economic Minister Counselor, Ms. Wendela Moore, to sit in on the meeting as well. If can provide any additional information to help Mr. Taplin and Ms. Moore prepare for the meeting, it will be much appreciated.

Thank you and have a wonderful afternoon.

Huma: the attached proposal was given to Michael Kidwell yesterday by Tarky Lombardi (former NYS Senator) during HRC's visit to Syracuse.

The artist would like to make bronze busts of HRC and WJC for the Clinton Library (she is currently doing so for the FDR library). She looks legit – her work has been used at the FDR memorial and elsewhere. Is there someone at the Library to whom I should pass this?

Hi Huma,

Hope you and family are doing well. We will already be staged inside the gate/tarmac area when you arrive. If you are taking a cab. Please tell him LGA Terminal A in front of Building #7 or the BP Gas Station. Give me a call and I or someone else will escort you over.

Thank you,  
Omar

Hi Huma,

Omar will be at the airport and will meet you at Terminal A (the lounge for the VIP planes).

He thinks you should get there by 6:20/6:25pm.

If you call him, he will come meet you or have someone meet you when you get to the airport.
