Dear Lauren and Huma--

I have just realized I have no idea how my papers are being treated at State Who manages both my personal and official files?

I am sending out material the way I did w Lauren in the Senate, but I don't know what's happening w it all. For instance, I've sent a few things to Cheryl but she says she hasn't rec'd them Does Claire manage this or does it all go to Joe? Are there personal files as well as official ones set up? If I don't write anything on a paper--as I mostly don't--Lauren knew how to file it all in the Senate. I'm sending out a mix which sometimes Claire and other times Lauren picks up from the out box. What happens then is a mystery to me!

So I think we need to get on this asap to be sure we know and design the system we want. Lot me know what you both think. Thx
