RELEASE IN PART  
B6

Hello Huma and Lauren:

Mr. Alfonso Fanjul would like to meet with Secretary Clinton. He plans to be in DC on **Tuesday, October 20**, and would be able to meet at whatever time is convenient to the Secretary if she were available. If it cannot happen on the mentioned date, please suggest a couple of dates that might be convenient for Secretary Clinton to meet with Mr. Fanjul, and he would try to arrange his schedule accordingly.

Thank you for your kind assistance with this matter and we look forward to hearing from you.

Best regards,

Iris
