

United States Department of State

Washington, D.C. 20520

May 23, 2017

Case No.: F-2015-05559

Ms. Kate Bailey
Judicial Watch, Inc.
425 Third Street, S.W., Suite 800
Washington, D.C. 20024

Dear Ms. Bailey,

I refer you to our letter dated April 14, 2017, regarding the release of certain Department of State (the "Department") material under the Freedom of Information Act (the "FOIA"), 5 U.S.C. § 552.

As you are aware, our April 14, 2017 letter indicated that the Department had completed processing of your request by conducting a search of the materials provided to the Department by Huma Abedin in 2015. Since issuance of that letter, the Department decided to conduct a search of Huma Abedin's official e-mails out of an abundance of caution. As a result of that search the Department located three additional documents responsive to your request. After reviewing these documents, we have determined that all three may be released in part. All released material is enclosed.

All non-exempt material in the documents that is reasonably segregable from the exempt material has been released. Applicable exemptions are marked where we have made excisions. An enclosure provides information on FOIA exemptions and other grounds for withholding material.

The Department has now completed its processing of your request. If you have any questions, your attorney may contact Trial Attorney Daniel Riess at (202) 353-3098 or at Daniel.Riess@usdoj.gov.

Sincerely,

Eric F. Stein, Director
Office of Information Programs and Services

Enclosures: As stated

The Freedom of Information Act (5 USC 552)

If I remember correctly, don't we have to send this through our ethics folks if you all are accepting funding from a government that the foundation has not accepted funds from before?

And that typically is done by terry - even for foundation.

Or am I mis-reading this too quickly?

As you know, the Clinton Foundation operates a program called the Clinton Giustra Sustainable Growth Initiative (CGSGI) in Colombia, in partnership with the Government of Colombia. One of the GoC's agencies, Accion Social, is interested in providing approximately US\$175,000 to expand our technical assistance activities in three projects: TANA (a spice-growing cooperative run by Afro-Colombian women that we have been assisting), COTELCO (connecting urban hotels in Colombia with local suppliers of agricultural products, hotel services, etc.), and Pies Descalzos (Shakira's Foundation, with which we are helping to educate/feed economically disadvantaged families). We wanted to inform you of this likely funding from the Colombian Government, and we would welcome your feedback, if possible next week. Sincerely, Ami

Dear Cheryl, as you may know, CF donated an auction experience item "Spend the Day With President Clinton" to support Prof. Muhammad Yunus' Grameen Charity at the Scottish Business Awards Gala on Feb. 23rd in Edinburgh. CF is to receive half of the proceeds of the lot total: \$100,000 USD - \$50,000 to each charity. The winner of the lot is Mr. Leo Koot, Managing Director at TAQA Bratani Ltd. TAQA Bratani would be the donor through Mr. Koot. TAQA has a connection with Abu Dhabi Government. CF hasn't received funding from Abu Dhabi Government before. We're considering it now since this is an auction that would be difficult to backtrack on. Wanted to be sure you are aware and we'd welcome any feedback. Thanks, Ami
