Dear Mr. McCarthy

This serves as the final response to the Freedom of the Information Act (FOIA) requests that you made on 11 April 2017 (2017-02443-F). On 11 April 2017, you requested any and all Air Force records concerning mission taskings, transportation cost, and all passenger manifest for President Obama's travels to Chicago, Illinois from 20 January 2009 to 20 January 2017.

After conducting a reasonable search, 13 records consisting of a total of 26 pages were identified as being responsive to your request. The names and last four of the social security numbers of the U.S. Air Force aircrew members on the AFTO Forms 781 have been redacted in accordance with FOIA Exemption 6, as release would constitute a clearly unwarranted invasion of that person's privacy. Exemption 6 requires the agency to balance the public interest in releasing the information against the private interest in not releasing the information. In this case, since there is no public interest, any privacy interest for the aircrew members must be protected. Authority is the Freedom of Information Act, Title 5, United States Code, Section 552(b)(6).

We identified no records responsive to your request for Air Force mission taskings records or passenger manifests. In accordance with Air Mobility Command Instruction (AMCI) 24-101, the Air Force does not maintain copies of passenger manifests after the active mission leg is complete.

Finally, concerning your request for information about transportation costs, The FY15 and FY16 cost per flying hour (CPFH) for Air Force One (VC-25A) is \$206,337.00 and \$180,118.00, respectively. Please note that the CPFH includes fuel, flight consumables, aircraft overhaul, and engine overhaul.

There are no fees associated with this request. Please feel free to reach out to me at 301-981-4088 if you have any questions or concerns.

Sincerely

*Ronald C. Knox*
