David--Sorry to be so tardy in responding. I've had blackberry blues. I can't use mine all day long since my whole office is a SCIF. I don't yet have a computer and I had to change my address and lost some of my traffic.

[REDACTED] All the best.

P.S. Any feedback on possibility of keeping AMB Ford Fraker on the job in Riyadh until his replacement is confirmed? As you'll recall, this was a personal request from King Abdullah. Best - Dave
