On November 6, 2006, I served the foregoing document described as:

by placing a true and correct copy thereof in a sealed envelope addressed as follows:

I caused such envelope to be deposited in the U.S. mail, with postage thereon fully prepaid, at San Marino, California. I am "readily familiar" with the firm's practice of collecting and processing correspondence for mailing. Under that practice, it would be deposited with the U.S. Postal Service on that same day, with postage thereon fully prepaid, at San Marino, California in the ordinary course of business. I am aware that on motion of the party served, service is presumed invalid if postal cancellation date or postage meter date is more than one day after date of deposit for mailing affidavit.

I declare under penalty of perjury of the laws of the State of California that the foregoing is true and correct and that this declaration was executed on November 6, 2006 at San Marino, California.

CONSTANCE S. RUFFLEY
