Re: California Public Records Act Request

Dear Mr. Farrell,

We are in receipt of your public records request dated July 28, 2008 wherein you request specific documents pertaining to Edwin Ramos. Enclosed please find all non-exempt public records that are available at this time in response to your request.

Regarding SFPD Incident Report No.: 080652433, this case is still an open investigation and disclosure of the requested documents at this time may endanger successful completion of that investigation. (See Govt. Code Section 6254(f)).

Thank you for your courtesy and cooperation in this regard.

Sincerely,

LIEUTENANT DANIEL MAHONEY
Commanding Officer
Legal Division
