

# Pardons for Terrorists?

## Who Will Ask the Tough Questions?

As acting Attorney General under President Bill Clinton, Attorney General-designate **ERIC HOLDER** violated established Justice Department procedures and fast-tracked a series of scandalous presidential pardons in the final hours of the Clinton administration.

But who on the Senate Judiciary Committee will ask the tough questions at his confirmation hearing? Questions like...

---

### **PARDONS FOR TERRORISTS?**

Why did you support presidential clemency for 16 members of FALN, a violent Puerto Rican terrorist group that orchestrated approximately 120 bombings in the United States, killing at least six people, and permanently maiming dozens of others, including law enforcement officers?

Why did you support presidential clemency for two Weather Underground terrorists imprisoned on weapons and explosive charges?

### **PARDONS FOR FUGITIVE FINANCIERS?**

What was your involvement in the pardon of fugitive financier Marc Rich?

Did you lie to Congress about your role in the Rich pardon?

When you approved a pardon for Rich, were you aware that his ex-wife had previously donated large sums of cash to the Clinton Presidential Library and to Hillary Clinton's Senate campaign?

### **PARDONS FOR CORRUPT POLITICIANS?**

Why did you advise Clinton Attorney General Janet Reno to reject requests for an independent counsel to investigate alleged fundraising abuses by then-Vice President Al Gore?

**Judicial Watch, America's leading government watchdog organization, calls upon the members of the U.S. Senate Committee on the Judiciary to challenge Mr. Holder on these and all other questions which relate to his fitness to serve as the nation's chief law enforcement officer.**
