It is the same case, technically the name is "US v. ATF" but it relates to "Fast and Furious".

There is an embassy release. I believe fm jan 25. It is a translation of a release fm phoenix, "grandd jury brings charges against 34 suspects from drug and arms trafficking organizations". It does not mention fast and furios codename.

Text is on spanish splash page. Scroll down under actualidades. Its below hillary clinton guanajuato release. "/ran ;urado formaliza acusacion contra 34 sospechosos..."

I propose to send this to the GOM in 10 minutes. I have pieced it together from the emails from Bill and Carlos. Please confirm that it is accurate.

Were there any ATF or Embassy press releases when the takedown occurred?
