Ron, no need to find out more about the leak. There is a pending OPR investigation of this leak and we already have some details about this situation. Gary

Yes, Gary is right about the sequence. I will get more info today about the circumstances of the leak, which I have been told was likely from the US Atty's office in AZ.

Actually, I believe the leak was known before the vote and we promised in writing to provide that document after it was placed on the NYT website. Is that right, Ron?

Gary

Hi **Admin. Assistant**,

I apologize for the late email, but I wanted to get this to you as soon as I could. Leah Shimp in our office gave me your email address.

Attached is a hand written letter from Senator Grassley to the Attorney General. The Senator wrote it before he left to return to Iowa this afternoon, and he wanted to be sure the Attorney General had it yet today.

Would you mind passing this along to Mr. Holder?

Many thanks in advance for your help.

Best,
Beth Levine
