Steven recommends **DP** His email below provides some more information. We also have the agenda with the relevant point set forth below:

Full Business Meeting Schedule

- o H.R. 2146, the DATA Act
- o H.R. 1974, the Access to Congressionally Mandated Reports Act
- o Activity Report of the Committee on Oversight and Government Reform

FYI, there are another four or five additional items on the agenda. Steven states that this "activity report" will probably involve criticism of ATF and DOJ, but does mention contempt. **DP**
