I met with STATE this afternoon. I asked him about STATE
STATE comments regarding PGR investigating ATF agents' involvement in the Fast and Furious. According
to STATE PGR is investigating the Fast and Furious operation. PGR will file a MLAT request to conduct
interviews in the US; for example, the ATF agent who appeared in the CBS news report. STATE would
not identify which section within PGR has the investigation; SIEDO, one of the delegados, etc.
