here's a partial transcript of the subpoena discussion.

"Issa, on Fox News Sunday, Discusses New Subpoena on Operation Fast and Furious," an October 9 email from the press secretary for the House Committee on Oversight and Government Reform announces:

On Fox News Sunday today, Rep. Darrell Issa, Chairman of the House Oversight and Government Reform Committee, discussed a new subpoena to Attorney General Eric Holder he intends to issue this week focusing on what senior officials at the Justice Department knew about and did regarding Operation Fast and Furious and ATF gunwalking.

Also included in the email is this exchange from the program:

Chris Wallace: "What are your [new] subpoenas about?"

Darrell Issa: "We want to know, what did they know and when did they know it. But more importantly, we have to understand at what level did the authorization really come."
