Subject: IG report talking points on Project Gunrunner and pending multiple sales issue--potential issue for AG Holder meeting with Senator Grassley
Attachments: 2011-01-27 Letter to ATF (2).pdf; ATF OIG talking points 11.09.10.doc

Ron,
Attached are the internal talking points we developed in response to the IG report on Project Gunrunner and the proposed (but not yet finalized and still pending at OMB) multiple sales issue. Given Grassley's recent letter to ATF, it might be good to put in the AG's briefing papers for Monday's lunch with the Senator.

Thanks,

M

as we discussed, attached are the talking points on the recent ig report. i have not had much hill interest about the report. i did have a good conversation with feinstein's judiciary staff (tony orza) about the good data highlighted in the report.

here's a link to the report: <http://www.justice.gov/oig/reports/ATF/e1101.pdf>
