Can you please scare up all the Fast/Furious indictments and our press release and send them to Mr. Huck?

Thanks,

Robbie

Hi Robbie,

I'm writing a piece for the New Zealand Herald about illegal arms sales from the US to Mexico, using straw buyers, and see that your office indicted 34 people last year in connection with arms smuggling in one case. Is it possible to see the indictments? I imagine they're posted on-line, but I don't have a case number. I'd also like some comment from your office on the impending case. I understand that you won't be able to give case details, evidence etc, that may arise in court, but some background would be useful. I'd like to get some idea of the scale of this problem and what the US is doing to combat the trade, as we understand weapons sometimes end up in cartel hands.

Would a phone interview be possible? I'd call you.

All best,

Peter Huck
